From the Desk of the COMMANDER

Three nights ago I spoke at the University of Virginia to over 1,200 students, educators and officials. Some of the press reported that the speech was a "comedy" and implied that I was a laughing-stock. One paper even said the kids were laughing so hard you couldn't hear my speech. "A laugh a minute" they put it.

But what they failed to report was that the laughter, which rocked the audience again and again, was not AT me, but at my description of the utter ridiculousness of our monkey-like Black cousins posing as "intellectuals;" the State Department fairies swishing overhead on gossamer wings in "Foggy Bottom," which I emphasized; the NAACP and CORE coons being led like a gang of black sheep by ugly, communistic Jews such as Arthur Spingarn, head of the NAACP and Marvin Rich of CORE--and the rest of the tragi-comic picture of the Jew-liberal fakers who are now "leading" our country. The audience almost panicked when I mentioned the fat Jew Salinger and the Unitarian Jews, beats, Jew-niggers and "swimming-pool-fallers-inners" running the White House. I was interrupted not only by laughter as I described this mad scene going on in our America, but by spontaneous APPLAUSE more than ten times during the speech!

THINK of that--a huge audience of our YOUTH being led to the point of beginning to LAUGH at the wretched Shabez-Goy fakers, nigger "intellectuals" and beatniks now RUNNING this America. And then think further that here was the HEAD NAZI being APPLAUDED vigorously, time after time, in the middle of the speech, in addition to the end! During the question and answer period, one student even asked (on a slip of paper), "How does one join the American Nazi Party?"

I write all this not to boast. The Jews do my "boasting" for me when they repeatedly go to such monstrous lengths to lie about me so viciously.

I write this for three reasons: (1) to point out the stunning SUCCESS of our "Nazi" approach with YOUTH, (2) to demonstrate how completely the Jew lies about me BACKFIRE, and (3) to pass along the credit for this walloping success to the dozens of young men who are working and fighting for YOU, for ME--unknown and without glory.

Let's take number 1 first.

The invitation itself to speak to the students at the University of Virginia, is the result of our "super radical" approach. For 20 or 30 years the Jews have been promoting the idea

COMBAT REPORTS..

A.D.L. Rebuffed

ARLINGTON, Va.--An attempt by the Jewish Anti-Defamation League of B'nai B'rith to pressure Arlington County into falsely prosecuting the American Nazi Party has been smashed by honest officials. A.D.L. men stomped into the office of Commonwealth's Attorney William J. Hassan on the same day Hassan announced himself for re-election. They demanded he prosecute the ANP as a "public nuisance" and "run them out of town." When the day ended, it was not the Nazis who were leaving town. The troupe of A.D.L. men returned dejectedly across the Potomac to their Washington, D. C. offices. Among the charges the A.D.L. said constituted a "public nuisance" was the fact that Lt. Roy James bashed Martin Luther King in the face. But prosecution was impossible. Said Hassan: "We can't do it, under the law." Said Cmdr. Rockwell: "Thank God for honest officials."

Smash Flag Decision

WASHINGTON, D.C. -- In a sweeping decision, upholding the free speech rights of Nazis, the D.C. Court of Appeals has thrown out a previous conviction of ANP Major, Karl R. Allen. One year ago Major Allen was convicted of "not respecting the flag of a friendly nation", for dragging a Soviet flag while counter-picketing communists. The recent appellate victory ruled that Major Allen was merely expressing a view and committed no crime.

Jew Blood Bath

WASH., D. C.--As Nazi Troopers picketed the White House in favor of gassing Morton Sobell, about 35 pro-Sobell Jews charged the Nazi line. Nazi Troopers let loose with a staggering series of lefts and rights that left several Kikes right out cold. Five of the Jews were bleeding profusely. None of the Nazis was hurt.

Phoebe Courtney Sued

NEW ORLEANS, La.--Commander Rockwell has filed a libel suit against Phoebe Courtney, the Jewess editor of a Kosher conservative sheet called "Independent American." The Jewess, who has relatives with the Anti-Defamation League of B'nai B'rith, had called the American Nazi Party a group of "undercover agents for the Communist Party" which, of course, constitutes a prima-facie case of libel.

Correction

A story headed "Nazi Businessmen" in the January-February issue of "The Stormtrooper" erroneously stated that a group of businessmen in Milford, Pa. had joined the American Nazi Party. They have helped so tremendously by distributing literature and winning supporters that our young reporter erroneously gained the impression that they had officially joined the Party and the Editor failed to spot this inaccuracy in time to correct it. Actually none of the businessmen have officially joined the Party. We regret the error.

Invade Niggertown

ALEXANDRIA, Va.--American Nazi Troopers invaded the "Nigger-town" section here to picket a rally of the NAACP. Among the signs carried were: "Back to the Trees Boogies" and "Who Needs Niggers." The brazen picket was warmly received by White motorists, many of whom stopped to cheer. Some treated the Nazis to coffee and doughnuts. Bellowed one coon from across the street: "Hey you can't insult Niggers on a Nigger corner!"

'Nazis' Picket NAACP Session At Rec. Center

While stormtroopers of the so-called American Nazi Party picketed, outside with signs, the president of Virginia's NAACP Conference last night addressed more than 300 persons in Alexandria's Pendleton Street Recreation Center.

The NAACP official, The Rev. L. Francis Griffin, of Farmville, an active participant in the fight to force the reopening of Prince Edward County public schools, was guest speaker at the organization's biennial banquet.

Griffin was asked to substitute for NAACP Executive Secretary Roy Wilkins, originally scheduled to speak. Wilkins' flight from New York was grounded by weather conditions.

Griffin urged the group to "fight in Virginia until every vestige of segregation disappears and we are all free men."

He said, "If you want to be free you've got to pay the price ... nobody advances onwards these days."

Griffin said Negroes in Virginia must have "compassion" for those who would "crush" them, while continuing to maintain a deep desire for freedom.

INTERNATIONAL NAZI PROGRESS

COLIN JORDAN SPEAKS FROM PRISON.....

P.1

A year ago, Jewry and its accomplices in this country basked in the conviction that "It could never happen here" - that National Socialism could never show itself in Britain, the ancient citadel of parliamentary tomfoolery and unctuous veneration for the Star of David.

In a few eventful months we exploded this fallacy against a background of resurgent National Socialism in many other parts of the Globe.

Jewry, in frantic alarm and hysterical rage, pressed the MacMillan Puppet-regime to try and suppress or impede this frightening phenomenon of the National Socialist Movement. A hitherto unused section of the Public Order Act concerned with private armies was deceitfully invoked and unscrupulously distorted to procure the incrimination of our Spearhead

Formation and thereby the conviction and imprisonment of myself and my three top officers, John Tyndall, Roland Kerr-Ritchie and Dennis Pirie.

The architects of Britain's progressive ruination pathetically believed that by this desperate action they would dishearten and intimidate us, and vindicate Democracy.

In the outcome the Spearhead Trial has proved a clumsy political failure.

It has spectacularly exhibited to the whole nation the extent to which Jewish Democracy fears to face the challenge of a National Socialist Movement even in its earliest infancy.

Upheld by our faith in the greatest ideal on earth, and our knowledge of the immensely greater sufferings and sacrifices for the cause of countless comrades, past and present, in so many countries, prison has served only to harden us in our determination to fight and to conquer.

Already two of our officers - Roland Kerr-Ritchie and Dennis Pirie - have finished their sentences and are back

on active service, hard at work restoring administrative efficiency where it has unfortunately lapsed in our absence.

By the summer John Tyndall and I will be back in the fray, and, after the organisation has regained its former momentum, we shall thereafter during 1963 carry the campaign forward in Britain on an enlarged scale with increased drive - thereby conclusively proving that imprisonment has failed to stop the onward march of National Socialism in Britain.

At the same time, knowing that ours is a world creed and a world struggle and that final victory must be on a world scale, we shall do all we can to promote the development of the World Union of National Socialists, the instrument whereby, in the years to come, we shall smash the Jewish World Front and establish the National Socialist New Order of the Whiteman. Sieg Heil!

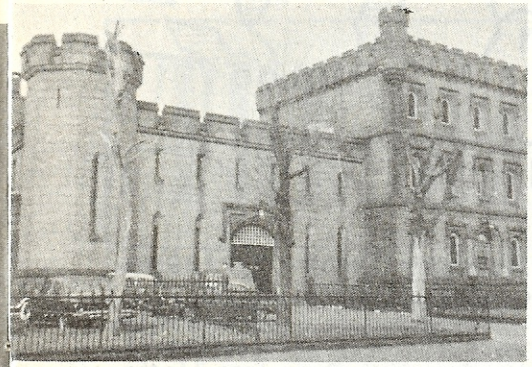
Our Struggle for Liberty



THE STONE WALLS -- which cruelly confine five courageous heroes, Moyamensing Prison.

Philadelphia Case

PHILADELPHIA, Pa.--Five courageous American Nazis, arrested here last October 12 while attempting to peacefully picket Communist Gus Hall, are still jailed in Moyamensing Prison. They have been subjected to what legal minds call the "most insidious run-around in American law history." Petitions for writs of habeas corpus, an action commanding immediate attention, for the five were stalled over two months. Their trial has been "postponed" without reason on seven different occasions, while bail remains at the outrageous figure of $2,500 apiece for charges which are misdemeanors.

Nazis Sue Liars

PHILADELPHIA, Pa.--The American Nazi Party has filed a One Million, Fifteen Thousand Dollar suit against the lying Philadelphia Daily News. The suit arises out of a lying article published in that paper which said the American Nazi Party was being financed by robbery loot from Weston Weed, the felon whom Cmdr. Rockwell captured and turned over to police. The suit declares that the purpose of the lying "News" article was to prejudice the jury in the upcoming case of five Nazis (who were jailed for picketing Gus Hall in October), into looking upon the defendants as bank robbers.

Forbes Wins Lawsuit

PHILADELPHIA, Pa. -- ANP Lt. Ralph P. Forbes has won a judgement against one of the 28 Jews and city officials he is suing for having him illegally jailed here 2 years ago as he attempted to picket "Exodus." The losing defendant is Magistrate Samuel Clark, who had Forbes illegally thrown into solitary confinement. Forbes is asking $40,000 from Clark and total damages of $1 million. But a Jew judge could award Forbes as little as one dollar.

Nazis In, Bobby Out

WASH., D.C.--Lt. Ralph Forbes led members of the American Nazi Party in a series of sit-in demonstrations at the Justice Department, protesting the injustices incurred against the five brave Nazis illegally jailed in Philadelphia. At one point during the demonstrations, Lt. Forbes handcuffed himself to a chair in the outer office and demanded to see Bobby Kennedy. Chief Marshal James F. McShane, who played a key role in installing James Meredith in Ole Miss, was on hand and closed off the entire wing of the building in an effort to suppress news of the Nazi sit-in. McShane, known for his heavy drinking, was a bit tipsy at the time and while he sawed Lt. Forbes' handcuffs, he also inadvertently sawed off an arm of the chair. Bobby Kennedy, in the meantime, was seen darting out a rear door--in his shirt sleeves --too afraid to face the Nazis.

Nazis Raid Phila.

PHILADELPHIA, Pa. -- A wave of massive literature distributions and picketings has been levied by the ANP in this city, protesting the inhuman treatment inflicted against the courageous Nazis jailed here. Major Karl R. Allen led from 25 - 50 men in an early AM literature raid, making it possible for some 100,000 Philadelphians to learn the truth about the jailed men. Two days later S/T Andrew M. Chappell picketed Moyamensing Prison in full Nazi uniform on behalf of the men, while S/T Roy Frankhouser distributed hundreds of leaflets in front of City Hall during rush hour.■

Students Protest Ban

URBANA, Illinois -- Northwestern University's Student Senate has unanimously condemned the cancellation of Commander Rockwell's speaking engagement here. The ban by university officials was brought about by pressure from the Jewish War Veterans, according to a JWV press boast. students, who were later queried about the JWV pressure and the university's succumbing to it, overwhelmingly backed their Senate and expressed contempt for the JWV's "Un-American attitude." "I'm beginning to see what Rockwell means", commented one senior.

Capt. Koehl on Radio

CHICAGO, Illinois -- ANP Captain Matt Koehl has blasted Jewish attempts to prevent free speech for Nazis in an interview over radio station WBBM. Incidently, Capt. Koehl has been called to National Headquarters to supervise production of 100,000 copies of Commander Rockwell's autobiography, "This Time The World." Lt. Roy James, who bashed Martin Luther King, is now in charge of Chicago Hq.

Nazism Campaign Issue

CHICAGO, Illinois -- The hottest election contest in Chicago is being fought over "how best to combat the American Nazi Party here." In the 50th Ward's Aldermanic race, two Jews, bitterly oppose each other with alternate solutions, and each claiming to have "the answer." One faction running Herman Knell and backed by the Jewish War Veterans, advocate murder to stop the Nazis. The other, less courageous gang, backed by the ADL, are pushing incumbent Jew, Jake Sperling. These Jews advocate the "silent treatment" for Nazis in hopes that they someday will just "go away." Chicago Jewry is split down the middle, choosing sides.

Lincoln & Rockwell Sts.

CHICAGO, Illinois -- In the middle of Chicago's most repulsive Jew section there is a crossing of Lincoln Avenue and Rockwell St. The result is the delightful sign shown on page 5. Windy city Hebes are complaining bitterly to the City Council that this is an "anti-semitic" street-corner and that it is "cruel and unusual punishment" to ask Jews to live on "Lincoln Rockwell St."

THE GIANT STEP

The American Nazi Party has reached an entirely new phase in its organizational advance and has thus taken a giant step forward. Commander Rockwell will take a "step up", and has turned over the day-to-day administration of Party affairs to Major Karl R. Allen, the present National Secretary.

This will free The Commander from the ever time consuming, day-to-day chores which go with running an organization as large as the American Nazi Party.

Commander Rockwell will, of course, remain in overall command of the Party and will personally handle all matters of political policy, all relations with the press, and will personally direct all Party publications.

The decision for the Giant Step Forward was announced by Commander Rockwell in "Commander's General Order Number 1, for 1963", which went into effect January 1. In the order, The Commander explained that although the Party's financial situation is always desperate (because we immediately put everything back into the fight), our business commitments and organizational structure were comparable to a medium-sized corporation. They thus require the attention of trained experts in specific fields.

Major Allen, who has been designated Deputy Commander, and Commander National Headquarters Division, immediately established four formal departments to assist him in managing the Party. These are: 1) Secretarial, to be headed by the new National Secretary, Lt. Roger C. Foss; 2) Propaganda, to be headed by Captain Seth D. Ryan, who will work directly under Commander Rockwell; 3) Logistics, to be headed by the Controller Lt. Allen Welch; and 4) Security, to be handled by Lt. Bernard Davids, upon his release.

Major J. V. Kenneth Morgan has been designated Party Adjutant, reporting directly to The Commander.

To carry out his new responsibilities, Commander Rockwell has entrusted Major Allen with final authority on all regular business and personnel matters of the Party, subject, of course, to formal review by The Commander. ■

WHY I JOINED THE NAZI PARTY

by Maj. Karl R. Allen

A close look at Karl Allen. Harvard Grad, Ex Army Officer and Businessman Now driving Party Administrative Whip

Nazis are born, not made. Nearly every man I've met here at National Headquarters has told me, "I've been a Nazi all my life." Some of them realized it right away; others waited a while. But all of them knew, once they heard the call, that here is the Cause they were born to serve.

Most Americans can FEEL that our nation is not healthy. They know our increasingly degenerate "culture" is wrong. They know our weak-kneed foreign policy is doomed to failure. But they don't know what to do about it.

Major Allen at the age of 12.

I was one of those confused Americans. I had even looked for a solution in the "accepted" Liberal pattern -- the one being sold night and day to the American public by TV, radio, and the leftist press. I had it drilled into me in school, especially during the war years, 1941-45.

For a while I was deceived by it, and my eagerness for SOME solution made me more receptive than most people. I even volunteered to fight for Liberalism -- in Korea. Only common sense and my basic instinct for right-and-wrong kept me from accepting it wholeheartedly. I believe these same characteristics, common sense and the basic morality of the White Man, will eventually dissuade the majority of Americans from Liberalism, and they will ACTIVELY SEEK the only true alternative -- NAZISM.

Why do I feel this way? Because I have been through the "conversion" process--the change from a "normal" American to a dedicated Nazi.

I was born in one of the worst years of the Depression, 1931. In the South the Depression was especially harsh.

The White Southerners at that time had a genuine desire to help the negroes economically. I know several White Men who helped negroes start businesses of their own, even guaranteeing loans for them. But this feeling came not from a desire to raise the negroes to a level of social acceptance, and then to embrace them in "brotherhood," but from a sense of duty and responsibility. That same sense characterized the "White Man's Burden" philosophy and built the British Empire so solidly. It was also part of the fundamentalist Protestant Christian concept of Stewardship -- of being the Custodian of God's Creation and seeing that things are run smoothly and fairly. It was Mercy based on Strength. I was literally shocked later, when I first ran across the Jews' theory of the "Southern Guilt Complex" -- an effort to compensate for years of wrongdoing to the poor, downtrodden negro. I might have fallen for this trap, too, if I hadn't known better from my own experience.

This was my first disillusionment with Liberalism (I credited it to the "inexperience" or "idealism" of most Liberals); but I still went along with them on foreign policy. I joined up to fight Truman and Acheson's war in Korea, because it looked to me like we were finally standing up to communism. I quit school at Florida State University where I was studying political science. I had been thinking of it ever since the fighting began, but was finally persuaded when I heard Drew Pearson (of all people) telling of American soldiers being led through the streets of Seoul with wires through their noses. He explained how White Men are called "Long Noses" by the snub-nosed orientals (I often wonder what they call Jews!).

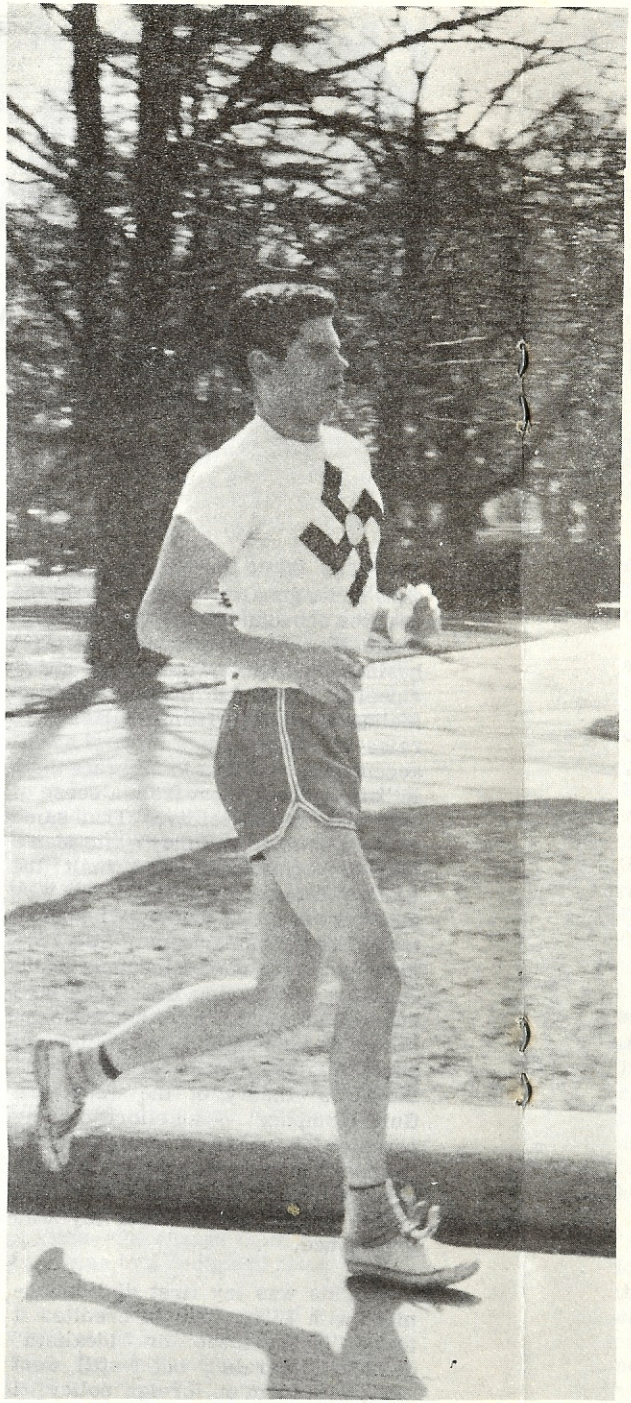
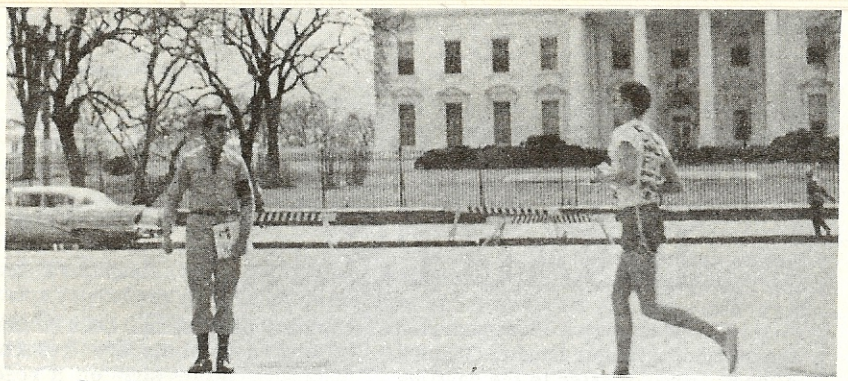
50 MILE RUN FOR THE WHITE RACE

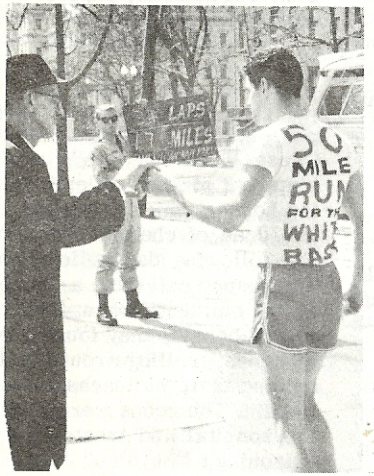
The latest fad among liberals and creeps is 50 mile walks (tho they seldom make it). So Stormtrooper Andy Chappell proudly displayed the superiority of American Nazis by running the full 50 miles in 100 grueling laps around Washington's Lafayette Park. Andy dedicated his seven hour run to the White Race. He pounded out mile after mile amidst the taunts of Jews that he "couldn't do it". He did do it, and the White Race won another victory, under its holy banner -- the swastika!





Grinding out the miles, as Trooper guards against Jew attacks.

Grabbing a quick drink of water, on the run.



The scoreboard. Crowds gather, tension mounts as Andy heads into the stretch.

Driving finish!!! Cheers ring out. The Jews stand silent, defeated.

The Washington Post carried the story of a Nigger bandit, Charles Everett, who operated in the daytime because he was afraid to be on coon-infested D.C. streets at night. Said Nigger Everett: "It ain't safe robbing at night no more. I'd be runnin' home with ma loot and some other stud would rob me!"

Chaos interrupted a recent meeting of the NAACP in Alexandria, Va. It seems as soon as proceedings began, several of the coon delegates made it to the coat room where they commenced to rob coats, hats, pocketbooks, and almost anything else that wasn't nailed down. This prompted the coon MC to plead from the podium for the bandit-delegates to please, at least, leave the identification papers in pocketbooks when robbing the money.

A certain White super market owner in predominantly Negro D.C. has quite a problem. A container, resembling a milk box, outside his store which he uses for depositing company papers, has been continually broken into. He even resorted to placing a large sign on it reading: "For Company Papers Only -- Contains No Valuables." But this didn't work either. Sure enough, the next night, a coon bandit was spotted high-tailing it over back fences, tightly clutching company papers, container, sign, and all.

An article in a Washington paper headed, "Stolen Meat Could Cause Thief's Death", was about a shipment of meat stolen from a packing house, which contained a poisonous dose of chemical preservatives. The following day police received an emergency call from a downtown tenement building. When they arrived, lo and behold, they found a room full of coons, rolling around on the floor holding their stomachs and bellowing in pain. The coons were all rushed to the hospital and treated for stomach poisoning.

During basic training I was selected to go to Leadership School and later to the Infantry Officer Candidate School at Ft. Benning, Georgia. It was a hard, tough course, lasting six months. Over 60% of the class failed. They reminded us over and over that second-lieutenants had the highest mortality rate of any other rank in the armed forces. This only made the challenge greater -- which is why I cringe now every time I see an Army or Navy recruiting poster which emphasizes security and retirement benefits!

In Korea I was assigned as a combat engineer platoon leader in the Second Infantry Division and served for thirteen months.

Once the truce was signed, our unit was pulled back into reserve. Due to the "rotation" policy, about two-thirds of our men were raw recruits, less than two months after the shooting stopped. Training was a must. I was selected Commandant of the battalion's N.C.O. Leadership School, and tried to develop a training program that was realistic as well as instructive. Unfortunately we became a "show piece," putting on displays for visitors from Siam, Turkey, Greece, and once for Charles Wilson, Secretary of Defense. I soon realized that, although I "enjoyed" my tour of duty, the peace-time Army was not for me. Upon returning to the States, I mustered out at the first opportunity and returned to school. I stayed active in the reserve up until the Little Rock invasion, when I tried to resign. My resignation got lost in red tape, but I nevertheless dropped all reserve activity, and became a full-fledged civilian. I received my honorable discharge in 1962.

I completed my degree in political science at FSU, and applied to the Harvard Graduate School of Business Administration, from which I earned my degree of Master of Business Administration in 1958. My schooling was paid for by part-time work as an architectural draftsman and by the GI Bill. Upon graduating, I worked as Manager of the Nuclear Department of the Florida Development Commission, a state agency designed to assist new industries locating in the state. I also worked at home-building "on the side," and later entered the construction field full time. Although I always stayed busy, I never felt a sense of "accomplishment"--of doing something really worthwhile, other than earning money and making a living. Then one night, in Tampa, I was invited to hear Robert Welch address a group of business men. He alerted me, as I had never been before, to the dangers facing our country. I resolved then and there to do something about it. I adopted the maxim I heard attributed to General Edwin Walker in Korea, and first used by General Custer, to "always move toward the sound of the guns." I knew I would never be satisfied again, only to read the news (which I did avidly), and to take the role of "interested spectator" while my Country went down the drain. I was not convinced that the pressure-group techniques of the Birch Society could ever work; it was just a revamped NAM, which, despite its millions of dollars still hasn't made a dent in Communism.

I started an intensive, planned study of all political groups, vowing to pledge my life to the one offering the quickest way to really "straighten things out"--or even to start my own if all else failed. I had long since given up on the Democrats and Republicans, and was beginning to despair completely, when I read in the papers of a group of "Nazis" who were stealing the thunder from the Freedom Riders with a "Hate Bus." This seemed like a stroke of genius to me, and I certainly admired their audacity --even though I couldn't imagine why they called themselves Nazis, and what they hoped to accomplish by it. I didn't know the meaning of the word then, myself. I resolved to go to Washington the next summer, look up

the Nazis and see what they were all about. Two months later, in August, 1961, I made the trip--and never went back.

At first I was a little shocked by the blatant literature against the Jews. I hardly knew what a Jew was; the few I had known were innocuous little shopkeepers, or self-conscious introverts with chips on their shoulders. But the rest of the program made sense. I decided to check up on the statements about the Jews. I did so, for almost a solid week in the Library of Congress. I was astounded! It all checked out! I even went to the D. C. Public Library and re-read Mein Kampf.

This time, with facts from my own country corroborating him, I could see that HITLER WAS RIGHT! He hadn't used the Jews just as "scapegoats" and as political expediency for gaining power, as I had been led to believe. I discovered that all of the leading Communists of his day were Jews, just as were the dozens of traitors and spies for Soviet Russia listed in Commander Rockwell's literature. I had read all their names before, but their Jewishness had never impressed me. I had often wondered how loyal, native Americans could be Communists; but now I could understand. They weren't REAL Americans--they were aliens--even if some of them were called "citizens."

I returned to the Nazi headquarters and applied for membership. I was interviewed by Commander Rockwell, along with another recruit, an ex-marine, who had arrived the same day. Any misgivings I had had about the Party were quickly dispelled by the Commander--by his forthrightness and sincerity, and by the obvious dedication and willingness to sacrifice of the men around him. He told us of the jails, the hardships, the "Valley Forge" conditions under which we would have to live. He convinced me, too, that my search for a "quick solution" was useless--that we had to buckle down for a long, hard--and probably, bloody--struggle. But, to me, the most reassuring and convincing part of his program was his complete devotion to the American Constitutional Republic, and his insistence that his rise to power be by legal, elective means.

My decision to join the Party is reinforced daily. I didn't really BECOME a Nazi, I was BORN ONE--and have decided, now, to live as one.

The author at Officer's Candidate School, Ft. Benning, Ga.

of "academic freedom" for the wildest and most radical ideas (until our entrance on the political scene, these radicals were always communistic and race-mixing). Our maximum radical, right-wing approach has earned us, in the minds of university students, precisely the position we wish to occupy--the ultimate and most extreme opposite of the communists and race-mixers. Thus, when they invite Red boss, Gus Hall, they also invite me as his opposite--in spite of the groaning of jealous and short-sighted "right-wing" "leaders" who are so fearful that somebody might call them Nazis (as the Communists have been doing for years), that they have tried to toss us into the Jew-pot with the Reds.

The audience I faced night before last was all primed up for the BIGGEST WEEKEND of the college season--a weekend of beering, dancing and carrying-on. They were in a razzle-dazzle mood as I stepped out in front of that sea of faces. I felt it immediately. If I had come on with my usual "agitation" type speech, driving in the points about Jew communism and race-mixing with deadly force and oratory, they would have laughed me out of the hall before I got past five minutes. So, instead, I used a "sneaky" approach.

For three or four years everybody else has been hearing that I am a horned monster with yellow fangs, who snarls, spouts burning "hate" like a flame-thrower and generally acts the part of a brutal bully.

Instead, that audience saw and heard what was described by one paper, as "a personable, intelligent, smartly dressed, clean-cut and easy-going young man in a thr e-button suit, with buttoned-down collar and a twinkle of humor in his eyes."

And when they found out that we are NOT trying to overthrow this government--but PROTECT it from overthrow--that we are NOT out to "kill all the Jews"--that we do NOT hate the Negroes, but want to solve the problem by separating from them --and all the rest of the TRUTH--the EMOTIONAL IMPACT ON THOSE PEOPLE WAS SIMPLY DEVASTATING!

A Jewish fraternity tried to keep hissing--but their act got so irritating to the Gentiles that the AUDIENCE ITSELF--at one point, turned and HISSED THE JEWS!

Thus, point number two is that all the Jew lies and propaganda about how we are murderers and bullies and totalitarians, etc., etc., --left them wide open for the deadly body blow we dealt them, and keep dealing them every time people see and hear us for themselves.

But the third point to which I have been leading is the most important of all.

In all of this success and glory, it is entirely too easy to lose sight of the MACHINE which we have built which makes all this possible.

When John Kasper made his play, he built up a truly ENORMOUS mass of "instant" followers and supporters. But he ducked the issue of Adolf Hitler and failed to build up an "officer-corps" of tough, fanatical, trained YOUNG men dedicated to the WHOLE TRUTH--instead of the dem-

agogic "states' rights," "religious" approach he used. The result was that when the Jews in the Justice Department "landed on" John with their prosecutions, his mobs of supporters melted like snow in the July sun, and he went down the drain just like the hundreds of other fighters for race and nation who have not understood the mechanics of MASS MOVEMENT.

On the other hand, from the very beginning, I have put primary emphasis not on a big bunch of cheering right wingers, etc.--but on a HARD CORE of MEN. YOUNG men, men able to organize and LEAD the mass of people we must eventually win.

The NSRP (which continues to lie about me after pleading for "peace," by the way) makes the same mistake as John Kasper. They keep rounding up more good old folks who are ALREADY segregationists and "right wingers" and, by continually telling these people only what they WANT to hear, rather than what they SHOULD hear, they sell more subscriptions and get more "members." But their utter lack of FIGHT and HEROISM deprives them of the YOUNG FIGHTING MEN without which a mass movement cannot be led into COMBAT.

At the University of Virginia I was covered with "glory" and success. I will not deny that I relish such visible evidence that my sacrifice of everything else in life has been worth it all in terms of saving our Race and Nation. But I also feel guilty about stealing the "glory" from the young men all over America who literally keep me from being murdered by "brotherhood" Jews, who keep the literature coming out in spite of the most INCREDIBLE working conditions, who almost STARVE, who sit up all night in bitter cold guarding our various headquarters from Jew War Veterans who can't out-argue us, and the women who stand by these modern heroes of the White Race.

And even this heroism by our young men is not the greatest gift they are unselfishly giving to an ungrateful and even brutal population. It is often easier to fling oneself into glorious combat and even to die than it is to DRUDGE, to WORK under the most adverse circumstances of cold and hunger, to clean toilet bowls week after week and month after month, to fold millions of sheets of literature through cold, silent nights, to cook for a gang of rough men who enjoy the old army game of blasting the cook--and then to wash these men's dishes, to stand on a black highway in a bone-chilling blizzard thumbing from Los Angeles to Arlington or from Arlington to Albany, Georgia, to wash thousands of cars side by side with Negroes in a car-wash and then contribute the few dollars so the rest of us can eat--to sit rotting in a Jew jail in Philadelphia for MONTHS while awaiting a "trial" which never comes because we are too poor to bail the heroes out--and on and on and on.

I spoke the words and made the appearance at the University of Virginia which won the cheers and applause; I am interviewed on the TV and in the papers--and the name "GEORGE LINCOLN ROCKWELL" is known from Hong Kong to New York.

But the men who have done most of the FIGHTING, SUFFERING and, most important of all, the WORKING which makes us the terror of the Jew traitors and race-mixers are UNKNOWN. And that takes an even more selfless kind of heroism than I have had to muster.

I am sure that, sooner or later, the Jews in the "Justice" Department, the same Jews who can't seem to get the Commies in jail after YEARS of "struggle," will land on us with all four ugly paws. And when that happens, as it did to Kasper--the Jews will find the American Nazi Party a little DIFFERENT than any of the other "right-wing" and "patriot" outfits they have busted up so far. I have

scientifically built a living, FIGHTING MACHINE OF HEROES, and the Jew attack will back-fire just as have all the others. When my time comes to sit in jail, I will not only enjoy the spectacle of Warner and Fields and some of the others trying weakly to explain how come the Jews have thus "rewarded" me, but I will watch my magnificent officers and men go into roaring ACTION as I have trained them--even with me in the Jew dungeon.

But before that happens, I want to do what I can to let the world know something of the silent, selfless heroism of some of the fighting young officers and men BEHIND "George Lincoln Rockwell" and the "American Nazi Party."

Let's take Storm Leader Dale Gatewood. You have not read about him in any newspapers. His kind of heroism is often rewarded only with curses and groans--even from his OWN.

Dale is the QUARTERMASTER--a fancy title. But it means he issues uniforms, keeps track of Party property, shops to feed TWENTY-TWO men every day on a total of SEVEN DOLLARS--and that he COOKS and washes DISHES! Not just sometimes --but day in and day out--for months. The guys good-naturedly paste up insulting cartoons about his cooking, they make the usual jokes about what is served, and endlessly complain in the immemorial fashion--except that they HAVE something to complain about. (How would YOU feed twenty-two men on seven dollars a day?) Dale gets no pay, no glory, no pleasures in life--not even much combat in the streets. Think about this twenty-one year old, clean-cut American sometimes when you hear that we are "working for the Jews or Moscow"!

Then there's the kid named Peterson. He's only a stormtrooper so far. But he stands night watches in the Arlington headquarters, where we can't afford to keep up the heat. When gangs of hoods come to beat up the Nazis or tear down the HQ--he has had to stand them off at the risk of his life, with threats of imprisonment just for trying to defend ourselves from these vicious people! He wears the .45 and must be ready at EVERY SINGLE MOMENT for the squad of brave Jew War Veterans we know is coming some day, as they threaten, to rush in and mob us like they did to the "Bund" headquarters in New York years ago. If he SHOOTS --and it is a mistake, he goes to the chair as sure as you're born. If he DOESN'T shoot, and the Jew "heroes" come pouring in, we are likely to suffer a terrible defeat and have some of us killed or crippled. It's bitter cold, night after night. It's unutterably boring. Nobody, even here, remembers the hours these night duty officers put in. But I do.

There's Storm Leader Gary Smith!

Gary has picketed the NAACP and the Communists in Los Angeles, New Orleans, Philadelphia, Washington, Albany, Georgia--and was even thrown into solitary in Montgomery, Alabama--by Warner and Fields' lying testimony--among hundreds of other assignments. He just got back from California to Arlington, in the middle of the world's worst cold wave--by THUMB, the same way he reached most of the other scenes of combat.

Lt. Ralph Forbes was only in the Party a week or so, fresh from the Marine corps, before he tried to picket Jew subversion in Philadelphia and wound up in solitary being kicked and maltreated by Negro guards in Moyamensing Prison, under Jew Warden, Solomon Bookbinder! Ralph is married and has a little girl. His wife and even the baby starve along with the rest of us, but Ralph has nevertheless led one mission into combat after another. His most recent was to handcuff himself to Bobby

Continued from page 24

Kennedy's doorknob in an effort to get some "civil-rights" action for our men STILL locked up without trial in Philly for trying to picket Commie boss, Gus Hall. Ralph's wife, Karen, sews most of the armbands you see all over the USA--and the world, for that matter. In the middle of all this Ralph has learned basic law. He recently won a civil judgment in PHILADELPHIA Federal Court against the Jew magistrate who threw Ralph and two others in prison for trying to picket Exodus!

One of the other men locked up with Ralph that time was Lt. Schuyler Ferris--West Point, Princeton, ex-Marine Captain and much decorated war hero. Schuyler has smashed one Jew barrier after the other for the Party, in New York's Union Square, in Albany, Georgia, Philadelphia, and a dozen other combat scenes. He put up the money for the "Hate-bus" and loaned some of the money for the old '53 Caddy we now use to go on speaking and picketing tours of the country. Lt. Ferris has lost job after job--and he too is married and has a little boy. But he never uses this as an excuse to shirk his combat assignments. In fact, I have to hold him back.

In Chicago, there are the Mueller twins who have stuck through thick and thin, braving the terrorism of the Jews and the nigger-ridden Cook County Prison, standing the long night-watches, distributing and picketing in spite of jailings and beatings. There is Troop Leader Chris Vidnjevich--a Croatian kid with the heart of a lion. He works selflessly and silently to keep up the huge Chicago headquarters and Vinland hall, he goes forth into the streets, is attacked, beaten, jailed, bailed out--and goes RIGHT BACK OUT! And there are twenty more like him in Chicago!

Maybe I should mention a 61-year-old man named Frank Niles, who came here once so sick of our Jewized and Negroidized America that he wanted only to die in a way which could do some good. I told him he had a good chance to demonstrate just what kind of lovers of free speech the Jews were in the city of "brotherly-love," Philadelphia. So he went up there ALONE, to picket the ADL. And, sure enough, they rushed out to kill him. One grabbed his picketstick and splintered it in a terrible blow, and then approached with the sharpened end. But Frank bared his breast for the spear--and the brave rats chickened out! So now Frank cooks, cleans up endlessly after rough-tumble young men--and lets me beat him from time to time at chess.

In the same way, I could name Lt. Foss--SEVEN MONTHS IN JAIL in Miami; Lt. Welch, struggling with the mountains of accounts and vouchers of the rapidly-growing Party; Major Morgan, forever helping out every way he can, giving masculine and mature leadership to our young men and fighting the Jews who keep getting him fired (he has a wonderful wife and SIX boys); Lt. Davids, still rotting in jail in Philadelphia along with Cook and Uhrig--and dozens of others all over America!

It is the silent, grinding WORK of these selfless, brave men which has built my own name into the most terrible series of syllables in the English language for the Jew traitors and race mixers.

When the history of our race is written, I shall see to it that the names of these early heroes is forever inscribed in the hearts of our people. And I want each of them to know, whether they have been mentioned here or not, that they are already enshrined in my heart. As some men can say that everything they have done is because of their mothers or their wives, I can truly say that everything I have done or will do is ONLY because of the unbelievable heroism and devotion to duty of America's FINEST YOUNG MEN--my young NAZIS! □
